

**RECERTIFICATION APPLICATION**

**For Certified Water Technologists**

A critical part of being certified is continuing to improve your knowledge and skills about the industry. To ensure your accreditation remains active, you must renew your certification every 5 years. Failure to recertify will render your accreditation inactive.

**Recertification Methods** (please check one)

- Retaking and passing the CWT exam; completion of application; payment of recertification fees
- Meeting Continuing Education Credits (CEUs) requirements, completion of application; payment of recertification fees

Name: \_\_\_\_\_

Company Name: \_\_\_\_\_

You must be able to demonstrate that you have at least 3½ years of related **experience** in the past 5 years:

| List your experience | Date(s) | # of Months |
|----------------------|---------|-------------|
| _____                | _____   | _____       |
| _____                | _____   | _____       |
| _____                | _____   | _____       |
| Total                | _____   | _____       |

**Exam Retake**

Location and date of exam retake: \_\_\_\_\_

*(If recertification is via exam retake, please continue on to last page)*

**Continuing Education Units (CEUs)**

In the last five years you must have 25 Continuing Education Units (CEUs) of Professional Development. All claimed credits must be supported by documented proof, eg. Certificate/Letter of Attendance, staff signed Committee participation letter, copy of transcript/certificate/diploma.

1. Attending an **AWT Convention**. (5 CEUs each) Provide details of Convention location and dates:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Total CEUs \_\_\_\_\_

2. Attending an **AWT Technical Training Seminar**. (5 CEUs each) Provide details of seminar location and dates:

---

---

---

---

Total CEUs \_\_\_\_\_

3. Attending an Industry **Convention (ASHE, ASHRAE, CTI, etc.)**. (3 CEUs each) Provide details of Convention location and dates:

---

---

---

---

Total CEUs \_\_\_\_\_

4. Giving or developing a unique **seminar for employees or customers**. (1 CEU per seminar with a maximum of 3 total CEUs per year for seminars). List below:

---

---

---

---

Total CEUs \_\_\_\_\_

5. Attend a **local technical society meeting** relevant to water treatment. (.5 CEUs each with a maximum of 2 total CEUs per year for technical meetings). List below:

---

---

---

---

Total CEUs \_\_\_\_\_

6. **Presentation** at a technical society meeting relevant to water treatment. (2 CEUs per presentation with a maximum of 2 total CEUs per year for presentations). List below:

---

---

---

---

Total CEUs \_\_\_\_\_

7. Attend a **related workshop** ie: Pesticide Training, Boiler Maintenance, Cooling Tower Design, NACE Corrosion Seminar etc. (1 CEU for each 4 hours of class time with a maximum of 15 total CEUs for workshops in a five year period). List below:

---

---

---

---

Total CEUs \_\_\_\_\_

8. Study of **related articles** and position papers, culminating in an 80% minimum pass score on the accompanying quiz relating to said articles or papers. (.5 CEUs per quiz). List below:

---

---

---

Total CEUs \_\_\_\_\_

9. **Publishing an article.** Attach copy of article with publication details. (3 CEUs each with a maximum of 15 CEUs for articles in a 5-year period). List below:

---

---

---

Total CEUs \_\_\_\_\_

10. **Publishing a water technology related book.** (5 CEUs per book). List title below:

---

---

---

Total CEUs \_\_\_\_\_

11. **Home study course** of subject related to water treatment. Provide copy of certification/diploma. (1 CEU for each class credit hour). List below:

---

---

---

Total CEUs \_\_\_\_\_

12. **College courses** of subject matter related to water treatment. Provide copy of certification/diploma. (1 CEU for each class credit hour). List below:

---

---

---

Total CEUs \_\_\_\_\_

13. **Professional volunteer services** related to water treatment: Pro-bono Consulting, Community Service. (2 CEUs per service, with a maximum of 2 CEUs for volunteering per year). List below:

---

---

---

## DECLARATION OF ETHICS

***I hereby:***

- (a) Recognize and acknowledge that the proper control of industrial water treatment problems can be critical to the safety and welfare of the general public and industrial facilities.
- (b) Recognize and acknowledge that the control of industrial water treatment problems is obligatory to maximize conservation of our material resources and to reduce economic losses.
- (c) Recognize and acknowledge that the entire field of industrial water treatment encompasses the application of the knowledge and experience of many diverse disciplines and levels of technical competence which must often be consulted.
- (d) Recognize and acknowledge that only through continual association and cooperation with others in this field can the safest and most economical solutions be found to the many types of industrial water treatment problems.
- (e) Recognize and acknowledge that the quality of my work reflects on the entire industrial water treatment profession.

***For these reasons I:***

- (a) Agree to give first consideration in my water treatment work to safety and public welfare.
- (b) Agree to apply myself with diligence and responsibility to the water treatment work that lies within my area of competence.
- (c) Agree to pursue my work with fairness, honesty, integrity and courtesy, ever mindful of the best interests of the public, my employer, and of fellow workers in the field of industrial water treatment.
- (d) Agree to not represent myself to be proficient or make recommendations in phases of water treatment work in which I am not qualified by knowledge and experience.
- (e) Agree to avoid and discourage untrue, sensational, exaggerated, or unwarranted statements regarding my work or products in oral presentations, written texts, or advertising media.
- (f) Agree to treat as confidential my knowledge of the business affairs or technical process of clients, employers, or customers when their interests so require.
- (g) Agree to inform clients or employers of any business affiliations, interests, or connections which might influence my judgment.
- (h) Agree to uphold, foster, and contribute to the achievement of the published objectives of the AWT.

***I understand that my failure to comply with these requirements could result in disciplinary action against me and/or the loss of my accreditation.***
