

AWT Business Resources Committee Webinar: Non-Competition Agreements

Growing businesses are faced with an ongoing need to safeguard their expanding client lists, trade secrets and valued business relationships. Non-Competition and Non-Solicitation Agreements are frequently used to protect these assets. Join Adam Green, Baker, Donelson, Bearman, Caldwell & Berkowitz, PC, and Bob Cunningham, Arthur Freedman Associates, where they will address common issues in the preparation and enforcement of these agreements. The goal of this presentation is to provide guidance for the development of successful agreements that are no more onerous than necessary to protect legitimate business interests as opposed to those that unreasonably restrict an employee's right to earn a living.
