

AWT Webinar: Discipline and Termination: Steps to Take to Reduce Exposure to Liability

Discipline and termination are never an easy part of an owner or manager's job, but at times a necessary function. If these processes are handled incorrectly, it could expose the organization to liability. Operating in a litigious world can be costly but there are steps employers can take to reduce the risk. Join us for a webinar with Ryan Rybarczyk, PHR, Rybar HR Consulting, LLC, that will look at best practices for preparing, communicating, and documenting performance improvement plans for your workers and steps you can take to mitigate your exposure to liability.
