

A TRIP THAT CHANGES LIVES...YOURS AND THEIRS

AWT-PWW Volunteer Trip to Honduras: March 19-25, 2017

"I took a trip to Honduras with my Rotary club to team up with Pure Water for the World. It was one of the most humbling and amazing experiences I've ever had. These families were so happy to see us because they knew we were there to help them have a better quality of life. What an experience!"

-Angelica Blomgren, PWW Trip Volunteer

Why Volunteer in Honduras with Pure Water for the World?

- ◆ **The current situation.** 98% of families in the Trojes region *only* have access to contaminated water. Over 50% lack access to safe sanitation facilities. Waterborne illnesses are widespread. Children miss school. Adults miss work. *The cycle of poverty prevails.*
- ◆ **Extend your commitment to water.** This is a unique opportunity to join with other AWT member companies, sharing your knowledge and skills while gaining invaluable experience working directly with families in very rural and underserved Honduran communities.
- ◆ **Be a part of the solution.** Clean water, proper hygiene and safe sanitation bring lasting change. Your participation will directly impact families, providing them with the tools and foundation for a healthier, more prosperous future.

Trip Highlights:

- ◆ Install safe water and sanitation systems in homes and schools;
- ◆ Visit communities where new comprehensive solutions have been implemented;
- ◆ Participate in the administration of anti-parasite medicine;
- ◆ Visit cultural sites (i.e. cigar factory, coffee mill, tobacco farm);
- ◆ Learn facts about Honduras and the Honduran culture;
- ◆ Interact with children and community members.

Cost: \$1,235 per person, plus airfare to and from Tegucigalpa. Cost excludes souvenirs, alcohol and food at the airport. Travelers will purchase their own airline tickets, but Pure Water for the World staff will coordinate flights to ensure you will be greeted at the airport.

We anticipate this AWT-PWW trip will fill quickly! Space is limited. A \$500 deposit is required with your reservation*. Make checks payable to Pure Water for the World. Please note that funds are for the "AWT Honduras trip". *Mail checks to: Pure Water for the World – P.O. Box 55 – Rutland, VT 05702.*

This is a great opportunity to witness the real impact Pure Water for the World is making and to participate directly in bringing life-saving safe water solutions to Honduran families!
