

AWT Webinar: The Systems Based Approach to Establishing Financial Confidence and Predictability for your Business

Join Tim Smith, President of ignite Business Advisors, as we discuss the importance of a systems based approach in your business that will help you not just grow, but multiply, your results. This interactive session involves:

- Discussing the strategic thinking and processes behind systems that are a catalyst to success
- Exploring the Business Operating System with a focus on the Proactive Sales Based Approach and additional procedures that you can follow to produce consistent results within your organization

Developing a method for an operation - a systems approach - can help you eliminate generalized solutions, seat-of-the-pants decisions, employee discretion and everything else left to chance. Learn how to put into practice detailed procedures, performance standards and accountability to get the best results.
