

## AWT Business Resources Committee Webinar: How to Find Veterans to Fill Your Jobs

When it comes to finding veterans, it pays to network in the right places, engage with the right people, and provide the right information to attract veterans. Join us for a webinar with Brigadier General (ret) Marianne Watson, Director of Outreach, Center for America, who will discuss how military employment transition referral teams work with employers. This webinar will also review how career information and job postings tailored to veterans can attract more candidates. Finally, this session will discuss how to accurately interpret military candidate skills and experience, and how GI Bill Educational Benefits can be used for on-the-job training.
