

Laboratories Accredited for Legionella Testing

updated July 2023

† Accredited laboratories will be able to provide a copy of their Accreditation Certificate and Scope of Accreditation to their clients, which should come from either their State accreditation/certification program or a 3rd party accreditation program

State	Name	Program*	Accredited Legionella Testing Method/ Website	Phone	City	Accreditation Body**
AL	HGS Analytical Laboratory	NELAP	Spread-plate Culture hgsengineeringinc.com	(256) 347-7022	Oxford	TNI LAMS
